City of New Bedford Prepares for Snowstorm; Announces Parking Ban, Changes to Trash Collection Schedule, Free Sand Pick-Up Locations

New Bedford, Massachusetts – The National Weather Service has issued a Winter Storm Warning for Southern Bristol County including the City of New Bedford from 4:00 A.M. Thursday until 10:00 A.M. on Friday. A coastal storm will bring the potential for heavy snow along with dangerously low wind chills and near blizzard conditions at times across portions of eastern Massachusetts.

The forecast calls for light snow developing after midnight and continuing at times through Thursday. There may be a lull in the snow during the day Thursday. The worst of the storm is expected to be Thursday night into early Friday with 1 to 2 inch per hour snowfall rates possible. A total of 8-12 inches of snow accumulation is predicted for the Greater New Bedford Area.

Heavy snow and gusty winds will result in low wind chills along with considerable blowing and drifting snow. Near blizzard conditions will be possible for a time Thursday night into early Friday resulting in whiteout conditions. Travel may become impossible.

Citywide Snow Emergency Parking Ban as of 5 P.M. on Thursday

The City of New Bedford has announced a citywide snow emergency parking ban to take effect tomorrow (Thursday, January 2, 2014) as of 5:00 P.M. The parking ban will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to allow public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is permitted on the side of the street that is opposite the fire hydrants. No vehicle should be parked on the same side of the street as a fire hydrant, except on streets that are regularly posted for parking on one side of the street only. In posted areas, residents are to obey the signs as usual.

The citywide parking ban will be double-sided in both the Acushnet Avenue Business District and the Downtown Business District. Downtown parking is available at no charge in the Elm Street and the Zeiterion Parking Garages.

Violations of this parking regulation will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.
